RA JACKET WOMEN

The RA Jacket is a functional, durable, and flexible 3L Gore-Tex jacket originally designed for vehicle-based operations in harsh weather conditions. It offers long-lasting protection against rain and wind while ensuring excellent breathability. Key features include reinforcements at critical areas, ventilation openings, practical pockets with waterproof closures, and an adjustable hood that can be stowed in the collar.

FUNCTIONS

- Hip length rain jacket with taped seams
- Added protection on the elbows and the base of the back
- Fixed adjustable hood. The edge is wired to stabilize the peak so that it shields the face from wind and rain.
- Hood can be tucked into the collar
- Large zipped pockets
- Pre-shaped sleeves
- Double sleeve pockets with Velcro
- Watertight zips in armpits for ventilation
- Large water draining flapped chest pockets
- Concealed drawstring adjustment at bottom hem
- Velcro for adjusting sleeve and cuff width
- 2-way front zip
- Zip is protected with double flap
- Velcro patches on the sleeve pockets for insignia
- Loops inside the front pockets
- UV/ VIS/ IRR
- Waterproof windproof breathable
