PILOT JACKET WOMEN

Windproof and waterproof medium length 2L Gore-Tex jacket specially designed for use on board a boat. Comes with a yellow fluorescent and adjustable hood with a malleable peak and safety handles or grips on the shoulders. The jacket is perfect for maritime pilots, boatmen and general naval service personnel, for example. Can be supplemented with Denver Lining Jacket.

FUNCTIONS

- Extended back and high adjustable collar
- Detachable and adjustable hood that can be folded into the collar
- Large chest pockets with waterproof zippers
- 2 large A4 pockets containing mobile phone pen and wallet pocket. The pockets are easily accessible without opening the jacket as they are concealed behind the front panel
- Fluorescent yellow adjustable hood with adjustable peak
- Tightened at waist with hidden drawstrings
- Reflective strips on the back front shoulders and hood
- Yellow fluorescent reflective strips around sleeves
- Holder for emergency light on the left sleeve
- Reinforced shoulder straps for emergency rescue. Tensile strength meets the SS-EN ISO 13934-1: 1999 standard with results well over 1000N
- Radio holder on the right chest
- 12x10 cm soft Velcro patch on right sleeve for attachments
- Velcro-fitted front panel and Velcro-adjusted sleeves
- Back mesh lining
- Taped seams
- Can be supplemented with Denver lining
