

RA JACKET

The RA Jacket was developed in collaboration with one of our key customers in the military industry for use with open vehicles and ATVs, as well as for field workers and other users who appreciate its combination of practicality and low weight. The RA Jacket is also hard-wearing with reinforced panels on the back, elbows and forearms and pocket flaps for added protection throughout. Comes with astrakhan on the sleeve pockets for attaching military rank insignia.

FUNCTIONS

- Hip length rain jacket with taped seams
- Added protection on the elbows and the base of the back
- Fixed adjustable hood. The edge is wired to stabilize the peak so that it shields the face from wind and rain.
- Hood can be tucked into the collar
- Large zipped pockets
- Pre-shaped sleeves
- Double sleeve pockets with Velcro
- Watertight zips in armpits for ventilation
- Large water draining flapped chest pockets
- Concealed drawstring adjustment at bottom hem
- Velcro for adjusting sleeve and cuff width
- 2-way front zip
- Zip is protected with double flap
- Velcro patches on the sleeve pockets for insignia
- Loops inside the front pockets
- UV/ VIS/ IRR
- Waterproof windproof breathable
