CPA TROUSERS

Our CPA Trousers are the result of over 10 years of development work in collaboration with a wide range of end users. The trousers are designed as a liner and can be adjusted to suit temperatures between + 5 and -50 degrees Celsius by adjusting the insulating layers. The liner system creates an air pocket between the membrane and the outer fabric to maintain the breathability of the membrane even at extreme temperatures.

FUNCTIONS

- Pre-shaped knees
- Cordura-reinforced knees with padding to protect the wearer during contact with cold and hard surfaces
- 2-point braces
- Zipped side pockets with air vents
- Waist is higher at back
- Large leg pockets with zips and Velcro flap
- Wind-resistant flap behind the zips on the legs
- Elastic and push button in leg opening
- Ends of legs are reinforced with Cordura
- Taped seams
- UV/ VIS/ IRR
- Water-resistant
- Windproof
- Breathable
- Can attach legs to shoes/boots

FACTS

Article no.	023075605
Sizes	XS-3XL ML-XLL
Colors	1679 TMTP® Multi Terrain Pattern
Material	Fabric: 100% polyamide Cordura® Lining: Gore-Tex Micro Grid Liner
Other	Weight size L: 900 g
