DELWOOD HALF ZIP

Warming and temperature-regulating sweater in comfortable merino wool with a short zipper in the collar. It can be used as a first layer or mid-layer. The main properties of wool make it warm even when it is damp, and it is naturally antibacterial.

FUNCTIONS

- Low protective collar with short zipper.
- Flatlock seams to prevent chafing.
- Extended back
- Naturally antibacterial
- Fine merino wool that warms when it's cold and cools when it's warm.
- Fiber micron 18.5
- RWS certified wool
- Mulesing-free wool
