CLIMBER OVERALL

A durable, wind- and waterproof overall in 2L Gore-Tex with taped seams and good breathability. The overall has waterproof reinforcements on exposed areas and several practical features: a detachable hood, a 2-way zipper from foot to waist, knee pads, and many practical pockets. The angled pockets make the Climber Overall especially suitable for those who work in a harness. With adjustable suspenders on the inside, the overall stays in place and prevents it from slipping down when you only want to remove the top part. The Climber Overall comes in two color variations to suit different work areas: one has reflective and fluorescent parts for high visibility, the other is completely solid-colored and therefore more discreet.

FUNCTIONS

- Wind and waterproof with taped seams and breathable function.
- Adjustable and detachable hood that can be stored in the collar.
- Visor on the hood protects the face in windy and rainy conditions.
- The collar is adjustable in width and high at the back to protect the neck and throat.
- Robust 2-way zipper at the front, concealed by a double front flap for extra water resistance.
- Monophone holder on left and right chest.
- Spacious vertical pockets with zippers, hidden inside front flaps, accessible without opening the jacket.
- Angled chest pockets with covered waterproof zippers.
- Sleeve pockets with zipper, bellows, and inner loop for securing.
- Pre-bent sleeves with Velcro adjustment at cuffs.
- Adjustable suspenders inside the overall.
- Waist with belt loops, D-rings, Velcro belt at the front, and elastic at the back.
- Openable legs from foot to waist with 2-way zipper hidden under flap, for ventilation and easy dressing.
- Side pockets suitable for tools.
- Spacious leg pockets with snowproof flaps and drainage holes.
- Waterproof reinforcements in Cordura on knees and seat.
- Pre-bent knees with knee pad pockets.
- Velcro adjustment at leg cuffs.
