

## **COMBAT FR CIP UAC SHIRT**

The Combat FR CIP UAC Shirt is designed for use by units when a flame-resistant uniform is needed. The stretch material over the torso increases comfort under the protective vest and helps the operator to be agile during demanding operations. The shirt has a protective collar, pockets with practical details, and elbow protection.

## **FUNCTIONS**

- Elastic fabric over torso and armholes
- Adjustable collar in width with Velcro closure
- Loops and velcro on the collar for the possibility of adding a separate hood
- Neck with zipper opening
- Sleeve pockets with velcro closure, bellows, pocket lid and internal loop for securing equipment
- Velcro on sleeve pockets for labeling
- Pre-shaped sleeves
- Pockets on the elbows/forearms equipped with D30
  protection
- Velcro adjustment at sleeve ends
- Flame-resistant material
- Antistatic
- IR-camouflage
