WOOL LINER 5-FINGER

A soft and warm 5-finger lining that fits our RF gloves and attaches with Velcro. The lining is made of terry wool, and the top consists of extra airy and warming wool pile. Both materials are mainly composed of wool, which has a high insulating capacity even in damp conditions. The inclusion of polyamide provides durability and contributes to increased lifespan.

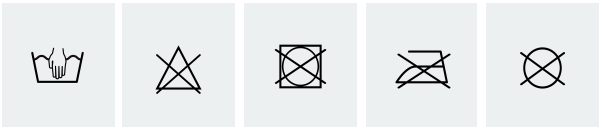

FUNCTIONS

- Hook and loop fastening
- Gentle hand wash at low temperature

FACTS

Article no.	117228606
Sizes	7-13
Colors	001 White
Material	Fabric: 90% wool, 10% polyamide Fabric 2: 75% wool, 25% polyamide
Other	Weight size 9: 0 g
