KELSEY TROUSERS WOMEN

The Kelsey Trousers in 3L Gore-Tex with taped seams are developed together with ski patrollers who have high demands for durability and protection against harsh weather and wind. The garments also need to be functional and flexible to work in during varied tasks. The trousers are equipped with our unique detachable braces, several practical pockets, and 3-way zippers along the entire outer sides, allowing ventilation and making them easier to put on and take off. The Kelsey Trousers have several reinforced areas and are available in different color options for various needs, some of which feature reflective and fluorescent sections for increased visibility.

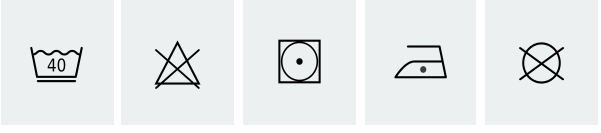

FUNCTIONS

- Our unique detachable suspender system with Velcro adjustment for the correct length.
- Waist with elastic, belt loops, button, and Velcro closure.
- Fly with zipper, concealed by a flap.
- 3-way zippers along the entire sides for easy on and off, as well as ventilation.
- Zippered side pockets.
- Spacious leg pockets with bellows, zipper, and Velcro on the pocket flaps.
- Cordura-reinforced knees with knee pad pockets and padded protection against contact cold and hard surfaces.
- Reinforced area and padded protection against contact cold and hard surfaces on the seat area at the back.
- Cordura-reinforced leg cuffs.
- Snow gaiters closed with Velcro and snap buttons.
- Heavy-duty Velcro adjustment at the leg cuffs.
- Hook for attaching the leg cuffs to the shoe.
- Taped barrier on the inside of the leg hems to prevent capillary absorption.
- Attachment points for separate winter liner.
- 3L Gore-Tex with taped seams.
